Additional fees will however be charged where the cost or usage of resources, activities or services varies significantly between students or groups, for example: individual uniforms, some co-curricular trips, mother tongue instruction, after-school activities and the student home-school-home bus services.

More information is available from the finance office.

*Mother Tongue fees will range from approximately \$235-\$935 per term depending on the number of student (1-4) in a single Mother Tongue class per grade level. If there are 5 students or more in a single class, the fees are paid by the school.

6. BILLING AND LATE PAYMENT

- Payment options and billing address:** must be confirmed on enrolment/re-enrolment or subsequently by written request to the Finance Office. Deliveries to home address will be sent with the youngest child, unless otherwise notified to the Finance Office. Non-receipt of an invoice is not grounds for waiver of charges on late payment.
- Liability:** parents/legal guardians are jointly and severally liable for prompt payment of fees and charges due, irrespective of any third party responsibility for payment.
- Due dates:** as stated above or on the invoice where otherwise. Up to 10 days payment delay may be granted without penalty with prior written agreement from the Finance Office.
- Payment overdue <30 days:** first 10 days after due date: 2% charged per month on unpaid fees; over 10 days: 4% per month (compounded monthly). If fees remain unpaid, a student is not guaranteed a place for the subsequent billing period; school reports, transcripts, certificates and other records will be withheld and students may be excluded from travel or con-curricular activities until the balance is settled.
- Payment overdue > 30 days:** students may be excluded from examinations or assessment and may have their attendance privileges revoked until the account is made current. The school reserves the right to disenrol a student with fees more than 30 days overdue and to refer the debt for recovery through legal action or third party collection agents, including internationally where necessary.

7. OTHER TERMS AND CONDITIONS

- Refund on withdrawal:** Refund will only be considered on submission of the completed withdrawal/refund application and only for full quarters (tuition) or semesters (capital) not attended. Finance charges are deducted at 4% for tuition and 20% for capital before refund.
- Variation:** Parents facing unexpected financial hardship may apply to the Director in writing for an agreement to short-term variation of payment plan; however, any request for continued attendance with fees unpaid for more than 120 calendar days must be addressed to the full Board for consideration.
- Change without notice:** Fees are subject to change without notice at the discretion of the Board and additional charges may be levied to cover government taxes for which the school becomes liable.
- Payment method:** Direct deposit, transfer or cheque drawn on a Cambodian or US bank, with any transaction charges paid by the remitter. Cash will only be accepted for balances less than US\$2,000.
- Information:** All invoices, statements and other billing correspondence will be in the English language. Parents needing clarification or support should contact the Finance Office directly.
